Accidental Death Benefit Rider

This Rider forms a part of the Policy to which it is attached. We have issued this Rider for Your Policy, effective on the date shown below. Please keep this Rider with Your Policy.

INSURED NAME:

POLICY NUMBER:

ISSUE DATE:

DEFINITIONS

Capitalized terms not defined in this Rider will have the same meaning given in the Policy.

ACCIDENT means fortuitous event, unforeseen and unintended.

ACCIDENTAL INJURY means an accidental bodily injury which is unforeseen and suddenly sustained without the design or intent of the Insured that:

1. is a direct result of an unintended, unanticipated accident to the body;
2. is not caused nor contributed to, directly, by a disease, bodily or mental infirmity, illness, infection, medicine or surgery used to treat the Insured, or any other physical condition;
3. occurs while the Insured's coverage under this Policy is in force; and
4. which directly (independent of sickness, disease, mental incapacity, bodily infirmity) causes an Accidental Death within [90] days of the date of the accident.

ACCIDENTAL DEATH means death due to Accidental Injury caused by an Accident occurring while this Policy is in force. The death must occur within [90] days after the date of the Accident.

ACCIDENTAL DEATH BENEFIT PROCEEDS means, if an Accidental Injury causes the death of the Insured within [90] days of the accident, the Accidental Death Benefit Proceeds payable at the Insured's death will be (1) plus (2) minus (3) where:

1. is the Death Benefit of the Rider, shown in the Policy Schedule;
2. is the portion of any premium paid for a period beyond the Policy month in which the Insured's death occurs; and
3. is any premium which is due and unpaid.

AUTOPSY means a medical examination of a body after death, performed to determine the cause of death.

ADDITIONAL PROVISIONS

GENERAL. This Rider is a part of the Policy to which it is attached. The benefits provided under this Rider are subject to all of the terms of this Rider and the Policy. This Rider has no Cash Value or Loan Value.

ISSUE DATE. The Issue Date of this Rider is the date we complete the processing of an approved application and issue this life insurance Policy. The Issue Date is shown on the Policy Schedule.

PAYMENT OF PREMIUMS. The first premium must be paid before this Rider becomes effective. The due date of the first premium is the Issue Date. The premiums for this Rider do not increase any guaranteed values in the attached Policy.

MISSTATEMENT OF AGE. If the Insured's Issue Age has been misstated, we will pay the Accidental Death Benefit Proceeds that the most recent premium paid would have purchased at the correct Issue Age.

Issue Age means the Insured's age on the Insured's last birthday as of the Issue Date of his or her coverage under this Rider. Attained Age means Insured's age on the last Policy Anniversary. An Insured's age under the Policy will be increased by one year on each Policy Anniversary thereafter.

AUTOPSY. We, at our own expense and as allowed by law, have the right to require an Autopsy be performed while a claim is pending. When required by us, and allowed by law, an autopsy will constitute a component of Proof of Death.

NONPARTICIPATING: This contract does not participate in the Company's profits or surplus.

TERMINATION. This rider will end without notice when the first of these occurs:

1. The premium-paying period of the attached Policy ends.
2. The attached Policy is surrendered or lapsed.
3. You do not pay the premium for the attached Policy or for this rider when due or within the grace period.
4. You attain age [80].
5. You ask us in writing to cancel this rider and send the Policy for endorsement. You must make the request within 31 days after a premium due date.

Termination of this Rider shall not preclude the payment of benefits if the Accidental Death of the Insured occurs while this Rider is in force.

REINSTATEMENT. At any time within three years after the end of the Grace Period and before the Maturity Date shown for this Rider on the Schedule Page, we will reinstate this Rider by written request if:
1. the Policy is reinstated at the same time;
2. evidence of Insured's insurability is received and approved by us; and
3. payment is made of any unpaid premium, plus interest at a rate not exceeding 6% per year, compounded annually

The reinstated Rider will be in force from the same date that the Policy is reinstated.

EXCLUSIONS

The Insured's death will not be considered an Accidental Death if it resulted directly or indirectly from:

1. Death caused or contributed to by disease or infirmity of mind or body, or medical or surgical treatment for such disease or infirmity;
2. An infection not occurring as a direct result or consequence of the accidental bodily injury;
3. Death caused or contributed to by any attempt at suicide, or intentionally self-inflicted injury, while sane or insane;
4. Death caused or contributed to by travel in or descent from an aircraft, if the Insured acted in a capacity other than as a passenger;
5. Death caused or contributed to by active participation in a riot, insurrection or terrorist activity;
6. Death occurring while the proposed Insured is incarcerated;
7. Death caused or contributed to by committing or attempting to commit a felony;
8. Death caused or materially contributed to by voluntary intake or use by any means of any drug, unless prescribed or administered by a Physician and taken in accordance with the Physician's instructions;
9. Death caused or contributed to by intoxication as defined by the jurisdiction where the accident occurred;
10. Death caused or contributed to by War, or any Act of War while serving in the Military, or in any civilian non combatant unit serving with the Military.

Docusign Envelope ID: A6A8719F-3F77-4A37-9F56-5430A06D6DF0

11. Death caused or contributed to by riding or driving an air, land or water vehicle in a race, speed or endurance contest;
12. Death caused or materially contributed to by participation in an illegal occupation or activity; and
13. Death caused or contributed to by rock or mountain climbing.
