DEFINITIONS

Capitalized terms not defined in this Rider will have the same meaning given in the Policy.

ACCIDENT means fortuitous event, unforeseen and unintended.

ACCIDENTAL INJURY means an accidental bodily injury which is unforeseen and suddenly sustained without the design or intent of the Insured that:

1. is a direct result of an unintended, unanticipated accident to the body;
2. is not caused nor contributed to, directly, by a disease, bodily or mental infirmity, illness, infection, medicine or surgery used to treat the Insured, or any other physical condition;

4. which directly (independent of sickness, disease, mental incapacity, bodily infirmity) causes an Accidental Death within 90 days of the date of the accident.

ACCIDENTAL DEATH means death due to Accidental Injury caused by an Accident occurring while this Policy is in force. The death must occur within 90 days after the date of the Accident.

ACCIDENTAL DEATH BENEFIT PROCEEDS means, if an Accidental Injury causes the death of the Insured within 90 days of the accident, the Accidental Death Benefit Proceeds payable at the Insured's death will be (1) plus (2) minus (3) where:

ADDITIONAL PROVISIONS

GENERAL. This Rider is a part of the Policy to which it is attached. The benefits provided under this Rider are subject to all of the terms of this Rider and the Policy. This Rider has no Cash Value or Loan Value.

ISSUE DATE. The Issue Date of this Rider is the date we complete the processing of an approved application and issue this life insurance Policy. The Issue Date is shown on the Policy Schedule.

PAYMENT OF PREMIUMS. The first premium must be paid before this Rider becomes effective. The due date of the first premium is the Issue Date. The premiums for this Rider do not increase any guaranteed values in the attached Policy.

MISSTATEMENT OF AGE. If the Insured's age or sex has been misstated, we will pay the Accidental Death Benefit that the most recent premium paid would have purchased at the correct age and sex. If the correct age is outside of the issue age ranges, the premium and benefit will be extrapolated.

AUTOPSY. We, at our own expense and as allowed by law, have the right to require an Autopsy be performed while a claim is pending. When required by us, and allowed by law, an autopsy will constitute a component of Proof of Death.

NONPARTICIPATING: This contract does not participate in the Company's profits or surplus.

TERMINATION. This rider will end without notice when the first of these occurs:

1. The premium-paying period of the attached Policy ends.
2. The attached Policy is surrendered or lapsed.
3. You do not pay the premium for the attached Policy or for this rider when due or within the grace period.
4. You attain age 80.
5. You ask us in writing to cancel this rider and send the Policy for endorsement. You must make the request within 31 days after a premium due date.

Termination of this Rider shall not preclude the payment of benefits if the Accidental Death of the Insured occurs while this Rider is in force.

REINSTATEMENT. At any time within three years after the end of the Grace Period and before the Maturity Date shown for this Rider on the Schedule Page, we will reinstate this Rider by written request if:
1. the Policy is reinstated at the same time;
2. evidence of Insured's insurability is received and approved by us; and
3. payment is made of any unpaid premium, plus interest at a rate not exceeding 6% per year, compounded annually

The reinstated Rider will be in force from the same date that the Policy is reinstated.
